Our UK and US Desk is a direct link for companies doing business or considering developing their operations in the Czech Republic.

Mazars Czech Republic provides existing and new clients with the highest quality services regarding any US or UK related issue with respect to the demanding regulatory frameworks from both countries.

Our experience includes compliance with US Generally Accepted Accounting Principles (GAAP)/Generally Accepted Auditing Standards (GAAS) including PCAOB standards, professional services, including audit, accounting and reporting requirements in diverse industries. The industry experience includes banking and finance, insurance industrial products and services, property and construction, retail and consumer goods, technology and media. Other experiences include large SOX 404 implementation and US GAAP reconciliations. Our US/UK Desk personnel are also members of the Institute of Internal Auditors and the Association of Certified Fraud Examiners, Czech Chamber of Auditors (KACR) and Czech Chamber of Certified Tax Advisors (KDP CR).

Mazars provides you with these services:

- Financial Audit
- Internal Control & Risk Management
- Forensic & Investigation Services
- Transaction Advisory Services
- Tax Consulting
- Valuation / Appraisal
- Accounting & Outsourcing Solutions

You can find further information on the services and operations of Mazars in the Czech Republic and our team of experts at mazars.cz
